REGULAR MEETING NIGHT
NO PICNIC**

**March's Attendance – 54
Auction Items - 91**

Spring is here and the club will be back at the Minnetrista Cultural Center with a regular meeting night. At the March meeting the club membership decided to have a regular meeting in April instead of having our spring picnic, do in part to our annual banquet in September. The club officers and the membership has been trying to find a place to have the annual banquet with little success.

The club will have everything going on at this meeting as we do on other meeting nights, with the President calling the meeting to order at 6 p.m. and going around the room looking for any new visitors attending our club.

The President will ask all the kids under the age of 18 to come forward to receive a nice gift from the club and several of our members have donated.

President Sanzo will then have the reports from the other clubs in and around the state, telling what is going on at their meetings and then go into the show and tell, and we are asking any of you members that want to tell us what you have that you think is important or is interesting to show us.

The President will then have a 10 to 15 minute intermission for the members to enjoy the refreshments that our club will have, look over the auction items and buy some raffle tickets for the drawings.

After the intermission the club will have the monthly drawings for the three attendance prizes, the three silver dollars, and the progressive prize that will be at three (3), since Elizabeth Fisher's name was drawn out for the second month in a roll and was NOT present to claim the prizes last month in the progressive box.

The auction will follow with a lot of items up for bid, with our auctioneer (Lee Sanzo) doing his best to complete the auction.

The meeting will close when the last items are sold or until we get close to the 9 p.m. deadline for us to be out of the building by that time.

Don't forget you can place 5 items in the auction if you are a member in good standing with the club.

March 10th Meeting - 2015

54 members and two (2) new guest attended the March's meeting, with President Sanzo calling the meeting to order at 6:00 p.m. at a new meeting place for this month.

Each introduced themselves to the membership and during the meeting both applied for membership into our club.

The President then talked on why we were meeting at the Herion Pointe building and thanked Tom and Janice Marsh for getting this building. This cost the club \$ 40.00 for the night's meeting, but a member of our club donated \$ 40.00 to pay for the building. President Sanzo then asked all the juniors to come forward and receive a gift from our Vice President, Ken Riley. Three juniors were present.

The president had Tom Marsh to report on the Marion Coin Club, Alan Simmons reported on the Madison County Club, and John Carden reported on the Ft. Wayne Club. No reports from the I.S.N.A. governor.

Janice Marsh under old business reported on the 58th annual show that was held on January 18th and gave a check for \$ 1,500.00 to the treasurer, Ray Saylor to put into the club's checking account. Janice also reported that the show would be at the Horizon Convention Center again for the 2016 show on January 17th and asked for help in selling tickets next year. That is always a problem getting people to sell.

The President stated that the officers are having a hard time finding a place for the banquet in September, and after a discussion on the subject, the members of the club decided to do away with the picnic and have a banquet only.

John Kuzma, and Herb Schmidt had another show and tell for this month and it 's always nice for the members to bring in something to show that might be of interest.

The club then took an intermission for the members and guest to go and get some refreshments and look over the items in the auction. 15 minutes

Paul Fisher done the raffles with the 3 attendance prizes going to Jeromy Scott, Jeff Riley, and Herb Schmidt. The silver dollars were won by Roger Garrett, Joe Crow, and Lee Sanzo. Elizabeth Fisher's name was drawn out for the second time in two months for the progressive prize, but was not present to win the two prizes.

The auction then started with only 91 items up for sale and the auction closed around 8:21 p.m. to meet again at the Minnetrista Cultural Center on April 14th.

The meeting was then closed with the money given out to those members that placed items in the auction.

Treasurer Report for April 2015

As stated in the newsletter for January, several of the board members wanted to dispense with the readings of the secretary and treasurer's report for several reasons, so both the secretary and treasury's reports will be placed in the newsletter until future notice.

J. P. Hankins was the other visitor to join the club and he was sponsored by Paul Fisher and Ray Saylor and will receive membership number S- 1045 J. P. is also from Muncie and we hope that both of these new members will become very active at the club meetings.

We are happy to have these two (2) new members in our club and hope that we will see them at many of our meetings in the future.

Club News Reminder

We are asking all of our members to send, bring in or submit their telephone numbers or e-mail addresses to the treasurer so it would be easier to contact you in case something happens in the future like it did last month.

Many of the telephone numbers that we have on file are no longer in use and it was hard for many of the officers to contact you to let you know that the meeting was changed.

The Minnetrista Cultural Center called the treasurer, Monday the day before the meeting and told us that we could NOT meet this month at our meeting location that month, do to the construction of working on the floors in the lobby there.

We need to up grade our mailing list and telephone numbers, plus if you have an e-mail address, we can use that also to contact as many of the members as possible.

THANKS for YOUR HELP.
